

# ANCIENT ROME EVENING

## ROMAN HOUSES OF CELIO

### UNFORGETTABLE JOURNEY THROUGH TIME

A journey through time and taste in the spectacular and exclusive Archaeological Site of Rome

#### Domus of Celio

Unique opportunity to participate in a feast of ancient Rome, in a complex of 15 rooms perfectly preserved and totally indoor of a rich Roman House of the third century AD a short walk from the Colosseum, tasting dishes dating back 2000 years ago...

The Tour will take us to admire the different environments between scents and flavors of the ancient world

A little aperitif on the way:  
in the ancient *Cella Vinaria*  
some maidens will pay the  
*Mulsum*, a Roman flavored  
wine

In the magical atmosphere of a *Roman Triclinium*, the Ancient Aperitif become **Apericena**; in the air the smell of *aneto*, *santoreggia* ... the aroma of mint, an enveloping smell of fruit, spices and exotic condiments ... from another world ... from another era

The Apericena (archaeological) features 9 recipes disposed on tables set up in ancient Roman style in the ancient rooms, rich in frescoes. The recipes respect the ancient sources (adapting them where there is need to modern palate). The calyxes of wine (also reconstructed from ancient Rome) are filled with delicious authentic Roman maidens in costumes.

Our "journey", as well as make you enjoy the delights of ancient cooks like *Marco Gavio Apicio* and *Catone*, it will be made even more fascinating by the explanations of specialized gourmet guides that illustrate recipes, nutrition, ways and customs of the Roman dining

**DINNER-EVENT ON RESERVATION**

**Price (min. 30 people)**

**Guided Visit + Apericena: € 80**

**Note**

The event can be made even more interesting and fascinating by providing the Options briefly illustrated below (prices aside)

## OPTIONS

### Actor - Mime

### Helpers

## SYNAULIA OPTION

The Synaulia are the most famous "band" of reconstruction of sound and ancient choreography. Famous in Hollywood and Cinecittà (their pieces are part of the soundtrack of "The Gladiator" by Ridley Scott). They bring with them a wealth of over 100 musical instruments reconstructed in experimental archeology Pompeian frescoes. Ancient instruments, ancient sounds, dances and choreographies of ancient Rome for a show that can be made of sound interventions during the tour or configured in a real concert in the museum of the archaeological site (additional room of 300 square meters). But Synaulia bring with them especially beauty and magic and will transport your event in an atmosphere of lost dream.

### Dancers

### Music

It provides for the introduction of elements such as

Harp  
Violin

## Option Postazione Vinaria

Besides wine mulsum, widely served during the aperitif, you can add a real tasting of wines particular: ancient vines reconstructed on Italian territory to reproduce original wines Roman historians Pliny card: the *Cecubo*, the *Massico*, the *Falerno*.

Ancient vines vinified according to modern tradition.
